SENSOFAR

SAMPLE MEASUREMENT REQUEST

CUSTOMER REFERENCE

What should be measured? *

☐ Critical dimensions ☐ Surface texture

☐ Defect inspection ☐ Thickness

☐ Flatness ☐ Volume

☐ Form & Shape

Additional remarks

Which is the region of interest?

Dimensions XYZ

Sample

Region of interest

Specifications

Expected measurement time for each sample

Any accuracy/repeatability requirement?

Which is the expected level automation?

	Manual	Automation
Acquisition	☐	☐
Analysis	☐	☐

Which is the expected outcome?

☐ 3D topographies ☐ Mesh file

☐ Image ☐ Parameters

☐ Profile

Are you currently using any other instrument to measure the sample? Which one?

Any other considerations?
